*“If your goal is to keep your family in the cottage for **future generations**, my goal is to help you develop an agreement to secure a lasting and successful succession, avoid family friction and prevent ‘For Sale’ signs sprouting.*

It’s not lack of interest, capital gains tax or other financial pressures that result in most family cottages going up for sale, it’s a consequence of friction within the family that arises from sharing ownership and usage.”

~ Peter Lillico, Estate Planning Lawyer
