

## **Love Your Lake Program Completion The CCRAI Thanks All Volunteers and Supporters**

Last summer, the Cavendish Community Ratepayers Association Inc., (CCRAI) in partnership with your lake/cottage association organized the Love Your Lake (LYL) Program. This program surveyed the conditions of all the shorelines on 12 lakes and rivers in our area including Catchacoma, Mississagua, Gold, Beaver, McGinnis, Cavendish, Cold, Pencil, Galloway, Greens, Picard and the Mississagua River. All shoreline property owners should have already received their letter with the survey code to access their confidential report. If you have not received your letter as yet, please send an email to [ccraimail@gmail.com](mailto:ccraimail@gmail.com) and they will be able to assist you.

The Love Your Lake Program would not have been such a success without the hard work and generosity of all the volunteers. We were overwhelmed with offers from the community offering accommodations, boats, driving boats, internet access and providing meals. The CCRAI Board Directors want to extend a heartfelt thanks to everyone who did volunteer in one of those ways and we also wanted to thank those of you that offered to help out but were not needed as a result of all of the offers.
